## **KAL Post Meeting Notes - 5 March 2013 Board Meeting**

**Motion to provide NJROTC \$1200 for Summer Adv Tra and \$300 for Military Ball approved by unanimous voice vote.**

**Motion to adopt Sister Council resolution with French Riviera-Monaco Council approved by voice vote, with one NAY vote. Discussion comments included:**

- Seems maybe cumbersome to administrate in out years
- Not sure there is much value in expending effort here
- Maybe there should be some sort of auto cancelling feature or a requirement for periodic validating

**Navy Ball fund-raising letters distributed and discussed. Three members not present (Krause, Stein & Flicker) and KAL will mail the letters.**

**MOAA Intracoastal Cruise Feedback – not universal support for the cruise; felt too cramped and at least one clear negative vote on the food quality. Suggestions if there is another cruise included:**

- Sit as a group
- Foster NL/MOAA interactions
- Don't spend all the time sitting in salon

**PBKC Happy Hour Feedback – only 10 people played; no negative feedback; plan to do it again at next NOSC awards and may get more players**

**AUTEC Awards: Jack Hanscom is making the trip to present Mar 14 awards; Catherine Brister still on-deck; Dan Pedrick volunteered to do the presentation trip in future.**

**Good support for having happy hour to present plaque to new Community Affiliate, Spoto's Oyster Bar; Sumner and Ken are coordinating and will publish time/place notice by email asap.**

**Frank Drennan asked for material assistance re: recruiting Community Affiliate members. Sumner offered his remaining CA Recruiting Folder and KAL will make and distribute more CA Recruiting folders**

**Ran short on time; practically no time for VP Reports – KAL will manage time better next meeting.**

**Board agreed to VP Programs's recommended luncheon costs of \$40 at Ballen Isles/April and \$50 at PB Yacht Club/May ..... these amounts are \$3-5 above costs.**

**KAL extended invitation to CO, AUTEC to be speaker at April or May luncheon ..... response expected in next day or so.**
