

Dear Navy Leaguers of Palm Beach, Friends and Guests:

Welcome to U.S. Navy League, Palm Beach Council's new website.

www.navyleaguepalmbeach.com

This site will be our primary way to communicate what is happening in our Council, Youth Programs, local Sea Services, U.S. Navy League's national programs and local community.

There are many exciting things happening in our Council. We are supporting six youth programs, three active duty and reserve units while ensuring we are educating our members, local and federal elected leaders and our communities at large of the importance of strong sea services.

Additionally, our monthly member luncheons and dinners are always a great event to hear from a dynamic speaker and reunite with friends while supporting our sea services.

Our new website has returned the ability to register and pay for our social events online; look for the Next Event info on the Home page. We can also accept donations online; the DONATE button is prominent on the Home page.

Also, check out the calendar under the Year at a Glance tab for upcoming events.

I realize changing our website address and having it updated as we desire will take some time. Please be patient as we go through this transition. There will be frequent updates and changes to get our site functioning in the best way possible for our members. Please help us in keeping our site current and interesting.

Please take a few minutes and look around the site. If you have ideas for improvement, information which should be included, or if you have items you desire to be posted on this site, please let me or Ken Lee (acting Web Master) know.

Thank you for visiting and please bookmark and save this as one of your favorites! Check back often for updates, new photos and happenings within our Council.

Lastly, but very important - I want to thank our Website Committee; Ken Lee, Joan Ross and Eric Rydstrom for all their work in making this much needed change a reality. Thank you also to Jupiter Website Design for your efforts. Shift colors, we are underway and making great speed towards meeting and exceeding all our goals as a Council.

Hoo-Yah and Thank You, Steve Wiggins – President, Palm Beach Council
