U.S. Coast Guard Change of Command Station Lake Worth Inlet

Several members of our Palm Beach Council attended the Station Lake Worth Inlet change of command ceremonies on Friday, July 27th.

Steve & Lynne Wiggins – Jerry Nelinson – Ken Lee & Jianying Yang

Outgoing Commanding Officer CWO4 Gene Gibson was relieved by CWO3 Michael Sparks in a crisp and lively ceremony on the waterfront at Station LWI.

Our good friend and SWLI Executive Officer Matt Parker was organizer and emcee for the day's activities.

CWO Gibson delivered an outstanding farewell speech that reflected the amazing number of law enforcement units that SWLI coordinates with every day, including Secret Service, FBI, Border Patrol, Sheriffs and Local Police and many more.

It was obvious from the audience responses that CWO Gibson was a highly respected and popular commander; CAPT Megan Dean, Commander USCG Sector Miami, presented him with the Coast Guard Meritorious Service medal for his outstanding command tour.

The Sea Cadets of Palm Beach Division, under the direction of unit commander Frank Verna, provided Color Guard and sentry/escort duties and looked very, very sharp in doing so. Every cadet present was obviously ready for inspection and reflected a strong esprit de corps – well done!!

Sea Cadet Chief Petty Officer Carlos Fernandez, shown below with Jian Yang, was a good example of the sharp appearance and performance of the entire Palm Beach Division of Sea Cadets.
