Four council members convened at US Coast Guard Station Lake Worth Inlet (Steve Wiggins, Eric Rydstrom, Ken Lee & Jerry Nelinson) to present Guardian of the Quarter awards for the past two quarters.

Jerry Nelinson (Award Sponsor) presented a GOQ award to MK3 Jeffrey Turner.

A second GOQ award was presented in absentia to Fireman Brendan Jimenez. He would have been present to receive his award, but a 4-man boat crew was scrambled, just as we arrived, to intercept a questionable incoming craft flagged by USCG Sector Miami.

Council President Steve Wiggins presented a \$300 Palm Beach Council contribution for the MWR Fund to the Commanding Officer to support upcoming holiday activities at SLWI.

This contribution was made "In Honor of Palm Beach Council member Jerry Nelinson, USCG Veteran WW-2," and was accompanied by a rousing round of applause from the Station's assembled crew.

It was a great Coast Guard day!! – The crew looked great; the Station was impressively sharp; and the CO and crew were extremely appreciative in their remarks to our members.
