2019 Science Fair Awards

Our Navy League Palm Beach Council again provided volunteer judges for the Palm Beach County Regional Science and Engineering Fair held at the South Florida Fairgrounds December 12, 2019.

Middle School Winner Theodore Ouyang
of The Weiss School

John Limoncelli, Ted Blake, Ken Lee and Murray Gero judged Middle School and High School projects in Physics, Engineering, Robotics, Computer Sciences, Medicine and Behavioral Sciences.

In addition to providing seven hours of judging services to the county, the Palm Beach Council reps selected one Middle School and one High School project for recognition by the Navy League for projects with potential naval application.

Each winning student will receive a \$500 Navy League – Palm Beach Council **Ullman Scholar Award** at the county-wide awards night in January.

This is the 5th year for our council's Ullman Scholar awards; they are funded by family and friends of past Council President Keith Ullman.

Interestingly, our 2019 High School winner, Devin Willis, was also a Navy League scholar at the Science Fair in 2016, as a Middle Schooler.

High School Winner Devin Willis
of FAU High School

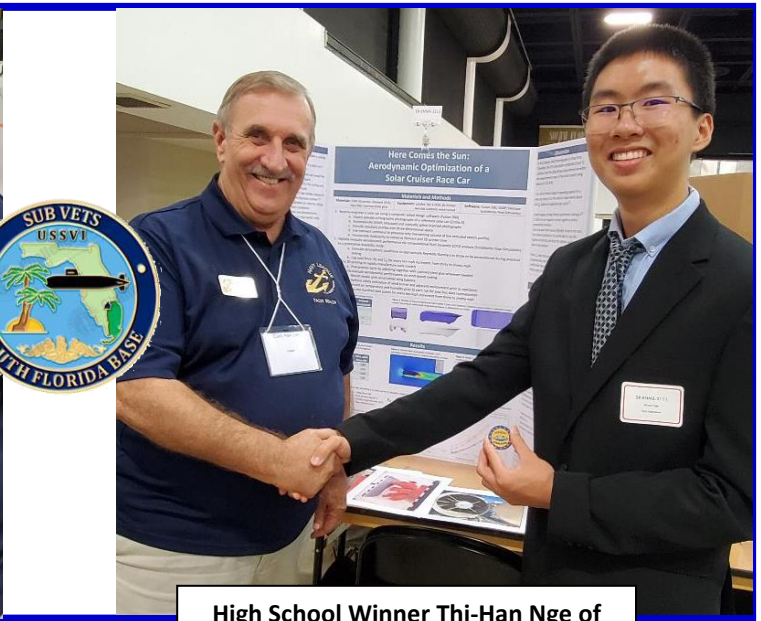

2019 Science Fair Judges
Ken Lee – John Limoncelli – Ted Blake – Murray Gero

Submariner Ken Lee also selected two winning projects for recognition (\$200 honorarium) by the South Florida Submarine Veterans organization.

Middle School Winner Tyler Moss of
The Weiss School

High School Winner Thi-Han Nge of
FAU High School

Thank you, judges, and thank you Ullman family. Along with the Sub Vets of South Florida we are the only military oriented organizations providing Science Fair performance awards, and we are given good recognition by the Science Fair leaders.
