Yes we lost some dear friends and Navy League shipmates, but we move forward with fond memories of their places in our lives & our council.

We had a wonderful year of monthly social activities and numerous military & youth recognition events.

In 2015 we presented \$10,200 in individual cash awards to our local sea service personnel and cadet top performers, and we provided over \$10,000 in Sea Cadets & Young Marines training support.

Local dues collection provides less than \$1000 in cash income; we depend on the continued generosity of our council members to contribute to our awards program in order to continue our high level of activities and support.

*Thank you for your participation and for your generous contributions that help us be proud **Citizens Supporting the Sea Services!***
