Palm Beach Council Briefing Representative Brian Mast 18th District – Florida

A Palm Beach Council members team, led by Bill Waylett (VP Legislative Affairs), visited Representative Brian Mast in his Stuart, FL office April 7th.

Bill presented the Navy League overview and priorities briefing, and Ken and Lou presented an appreciation plaque from the Palm Beach Council.

Representative Mast, a decorated Army veteran, showed himself to be very well informed on maritime affairs and is a strong friend of the Sea Services. He also took an interest in the recent Palm Beach Council participation at the Mar-a-Lago fundraiser for the Navy SEALs family support.

Thanks to Bill Waylett for his initiative and sound staff work in setting up this important visit.

Council President Sonia Foster and MarAd veteran Peter Petrelis were originally scheduled to assist in the presentations but had to bow out when the meeting time changed and interfered with other events.

Representative Mast's local Chief of Staff Steve Leighton also attended the meeting, and Admin Assistant Amy Galante helped keep everything on track. She told us of the Congressman's plan to host a BBQ for graduating seniors who have joined the military and are just waiting for graduation and their turn to report to Boot Camp.
