Citizens in Support of the Sea Services

USMC 4th ANGLICO & NOSC West Palm Beach Commanding Officers Lunch

Lt Colonel Ronnie Goode (I&I 4th ANGLICO) and Commander Keith Bushey (CO, NOSC) were hosted for lunch by our council liaison representatives Col. Jim Wells and Capt Dan Pedrick. Ken Lee also attended, as official photographer.

The purpose of the lunch was to better acquaint LtCol Goode with the support available from our Palm Beach Council, and to receive information on the Navy and Marine activities expected at NOSC WPB this year.

Both officers were very generous in their praise of our Navy League council's strong support, mentioning several times that they frequently hear such praise from their troops, also.

CDR Bushey announced intentions to formally recognize Palm Beach Council's recent donation of \$1000 of uniform and ceremonial gear for the NOSC funeral details and honor guard in a small ceremony at NOSC West Palm Beach.

It appears that all is on track for a continued strong relationship between our Palm Beach Council and these two principal military units. Well done, Jim and Dan!
