## ***Luncheon at the Chesterfield Hotel*** ***with Focus on Palm Beach County Youth Groups***

Fifty enthusiastic Palm Beach Council members convened in the Leopard Lounge of the classic Chesterfield Hotel in Palm Beach for February's luncheon.

We were treated to inspiring presentations by leaders of 4 of the youth groups the Palm Beach Council sponsors each year.

Well done to Council Officers and helpers for creating this excellent event!

Council President Steve Wiggins introduced the youth leaders and set the stage for their presentations. Executive VP Peter Petrelis manned the a/v equipment and made sure the individual speakers and their slide presentations flowed seamlessly..... not a simple matter.

Thank you Anita Manuel and Tammy Fernandez for handling the reception and check-in table, and thank you Jerry Nelinson for your photographer skills once again!

Thanks also to Chesterfield's Food and Beverage Director Greg Palmer for providing an outstanding luncheon meal in a classic Palm Beach setting – your attention to details and expert handling of emerging issues are much appreciated!

Last year our Palm Beach Council provided over \$20,000 to our youth groups to fund performance awards, equipment acquisition and training/travel expenses. We hope to do it again this year, but can do so only through the generous contributions of our council members. We'll be asking again, please continue to be generous with your support!

Each of the presenters gave us excellent insight into the activities of their group, and it was very clear that any money and other support efforts we might give are dollars and time very well spent.

The attached photos are a sample of those present at the Chesterfield today and of the fun we had ..... please join us for our next social event at the Port of Palm Beach - on board the cruise ship..... details to be published soon.
