

A Message from the Council President – Ken Lee Jupiter, FL

Welcome to the world of Navy League – Palm Beach Council style.

We're part of a strong national organization that exists to support the Sea Services The Navy, Marines, Coast Guard and Merchant Marine.

We're a civilian organization – no military background is required to join the Navy League. We are citizen patriots who take pride in providing direct support to our local Sea Services contingents, that include:

- Navy Operational Support Center – West Palm Beach
- U.S. Coast Guard Station, Lake Worth Inlet
- USS FLORIDA (SSGN 728) Guided Missile Nuclear Submarine
- AUTECH Underwater Test/Evaluation Center – Andros Island, Bahamas
- Navy JROTC Units at Palm Beach Gardens and Boca Raton High Schools
- Naval Sea Cadet Corps – Palm Beach Division
- Young Marines of Palm Beach County
- Port of Palm Beach

We have a monthly social event, usually a luncheon or dinner with guest speaker, and several award presentations each year – we present engraved plaques and cash awards to outstanding performers at each of the above Sea Service commands.

Come join us! We have fun, and you get the satisfaction of knowing that your membership directly supports the outstanding young people in our Sea Services and cadet training programs.
