### **Guardian of the Quarter Award USCG Station Lake Worth Inlet**

*SEMPER PARATUS!*

Eric Rydstrom (Council Liaison for USCG) and Jerry Nelinson presented the Guardian of the Quarter Award to BM3 Keshia Vazquez on Wednesday, August 28, 2013

Station XO BMC Zach Hornby officiated at the presentation as Station CO John Gatti was at the hospital welcoming his new son to the world.

Thanks to Eric Rydstrom for his donation of the personalized deskset and cash award, and to Jerry Nelinson for his brief but inspiring words to the assembled personnel.

Jerry's perspective on Coast Guard service began with his enlistment in 1942 and includes wartime service in Atlantic convoy duties. The young Coast Guardians were suitably impressed, as are we.
